

PCR-test Covid-19 in Kiruna

by ExpressCare

ExpressCare provides Covid-19 virus diagnostic and travel certification services. More specifically PCR tests, Antigen tests (rapid tests) and travel certificates. Booking will be possible via their website www.expresscare.se.

Time

- Sampling *until* 12:20 Monday to Friday and Sunday is answered the next day between 18:00 and 23:30.
- Sampling *after* 12:20 Monday to Friday and Sunday is answered 2 days later between 18:00 and 23:30. Closed on Saturdays.

Important information

It is important that you bring your passport to the sample as the passport number must be indicated on the travel certificate. Different rules apply in different countries regarding how many hours before departure the test must be taken and whether they require a specific travel certificate. It is the traveller's responsibility to ensure this before sampling takes place.

Unless otherwise specified, a standard certificate in English will be issued and signed by a specialist.

NOTE! If you had symptoms of a cold or fever in the 7 days prior to your visit, you are obligated to cancel your visit at ExpressCare. Only asymptomatic people are accepted. Payment by card or Swish. No cash payment.

Location: Österleden 12, Kiruna. Ground floor, to the right of the Jaktia store.

Duration: 10 minutes

Price: 2200 SEK for sampling. 350 SEK for travel certificates.
